4 Basic Wine Elements

Description

https://wineglitz.in/wp-content/uploads/2017/10/vid_22580115_093235_1131.mp4

When I was doing my wine course, my instructor had said â?? â??remember these four basic elements in a wine â?? if these are present then the wine will have the potential to ageâ?•.

His words since got imprinted on my wine memory. Today, I feel happy to share these with everyone in form of a short presentation.

Hope you appreciate it and benefit from these. Questions / views are welcome.
