

MUST â?? Fermenting Ideas : Wine Summit

Description

collage

Worldâ??s leading wine experts participating in the wine summit

â??MUST â?? Fermenting Ideasâ?• is the first of its kind wine summit to bring all experts together to discuss the future of the wine industry. It is a wine summit where speakers, experts, journalists and guests from all over the world gather to discuss what unites us all: wine.

The 2nd edition of the summit, which is being held in Cascais, Portugal, provides an ideal environment to listen to the worldâ??s leading wine minds, networking with fellow wine professionals, sharing of wine knowledge and defining the future course of the wine industry over three days from 20 to 22 June 2018.
