The Winegitz India Academy proudly associates itself with is the prestigious brand : Academie Du Vin Library.

If you are a wine lover then most likely you would have heard about **Steven Spurrier**.

Steven Spurrier (Image: Academie du vin library)

He was the one who in 1976, organised a blind wine tasting competition in Paris known as the **Judgment of Paris**, where California wines were the clear winners over the French wines. This single event added immensely to the reputation of the wines of California which till that time were not so much renowned.
