Wine powering the Metal way of life

Description

ã?»ã?»ã?»
Another super successful edition of the Bangalore Open Air â?? a heady mix of metal music, energy and talent concluded at Bengaluru, India yesterday.

World over Heavy Metal is increasing getting associated with Wine which is now seen as a healthier alternative to hard drinks. Many renowned metal bands have launched their own wine labels and red wine is seen to flow alongwith beer in major international metal festivals

Wineglitz follows this trend. Stay tuned for more.
